<b>Comment:</b>	I want to make a sort of musical Exquisite corpse/cadaver. Here's the idea. I wrote some drums and YOU can make something with it ! Anything is permitted, from humming on it to instrumental noises. When you're done, you can publish on your own wall with the title above. Instead of drums, specify what you added and spread the word. I hope it will be a success, i'm thrilled to see what you can do !
