What is love? —

I don't know — why you're not there, —
I don't know — what can I do, —

I give you my love — but you — don't care. — So what is right —
 — what else can I say? — It's up — to you. — I know we're one, —

— and what is wrong, — give me a sign. — } What is love? —
 — just me and you, — I can't go on. — }

— La - dy, don't hurt — me, don't hurt — me no more. —

— What is love? — La - dy don't hurt — me, don't hurt —
